Town of Lashburn

Minute with the Mayor

December

It's beginning to look a lot like Christmas on Main Street. As you may have noticed the Town purchased new decorations for the light poles. We were able to get a very good price because of a closing out sale. The decision was made to buy new ones because the other decorations were in need of several repairs. The Town also purchased five decorative pots for display on Main Street. The posts were designed and created by Greenjay Greenhouses.

As 2018 winds down the Town has accomplished many projects. Town Council will also begin the planning for 2019 and looking to the spring/summer for completion of projects not wrapped up this year.

In the New Year the Town will begin with the budget process. During this time Council will have discussions in regards to past spending and reviewing all 2018 projects. Council will also look to 2019-2020 for allocation of money for new projects or ventures. If you have any suggestions in regards to things you would like to see done or considered please do not hesitate to contact the Mayor or member of Council. One priority continuing in 2019 will an emphasis on streets and street improvements.

The Town once again had our annual light judging. This took place on Sunday, December 16th. The winners are Wanda & Brien Toullelan, Barb & William Penner, Tim & Laurie Benko and Anne & Lorne Scramstad. Honorable mention to Southern Spur for their business light decorations.

The Recreation Board held a meeting last week and would like to remind organizations and groups in the community to get applications for funding to the board as soon as possible. The deadline is in March. The applications can be picked up at the Town Office. If you have questions or would like to attend the next meeting please contact a Recreation Board member. The Board consists of Steven Turnbull, Danelle Covey, Zach Halwachs, Kevin McNay, Wendy Reece, Amanda Keyowski, Lori Bexson and Angie Mattison.

The outdoor rink is up and running and being enjoyed by many people young and old. I would like to thank the Town employees for getting the boards installed and securing the donation of the blue shack that is beside the rink. A huge thanks to Alvin Jakubowski for flooding the ice and removing the snow. Without his help the outdoor rink would not be possible. Its commitment like this that makes Lashburn a great community. On behalf of Town Council and the Community we would like to extend our sincere thanks.

On behalf of the Town Employees and Council we would like to say:

May this Christmas end the present year on a cheerful note and make way for a fresh and bright New Year.

Merry Christmas and Happy New Year to you and your families this holiday season!

Well that is about all for this month. If you have any questions please do not hesitate to email me at steven_turnbull@hotmail.ca and I will address the issues in the next Minute with the Mayor.

Thank you
Steven Turnbull
Mayor

The Lashburn Legion wants to wish the community and surrounding area a Happy and Joyous Christmas Season. The Legion would not be able to continue with its programs if it were not for the support given to us by you. We thank you and look forward to what 2019 will bring. We thank everyone that purchased wreaths for our Remembrance Service and for paying in a timely fashion. Provincial Command requests full reports almost immediately after the Remembrance time so we appreciate not having to hold up the process.

We will announce the winners of the Poster/Literary contest in the next Scoop. Merry Christmas from our Branch to our Community.

We welcome financial donations to help us accomplish these goals. These donations are tax deductible. Cheques must be made out to the Town of Lashburn and designated for the museum.

The Museum's annual meeting is Thursday, February 20, 2014 at 7:30 at the library. Everyone is welcome to attend the meeting. Please come and hear our accomplishments and goals. It will be a good time to ask your questions & voice your concerns. Memberships will also be available at this time.

With winter being upon us please remember that it is not permitted to push snow from your property on to the street.
Snow removed from your driveway or sidewalk should be left on your property.
If you have excess snow make arrangements to remove it to the snow dump area north of town.
The snow dump area is at the NE corner of 2nd Street East and the north Town limits between grid 675 and the Sportsplex property. Please be courteous where you put the snow – closest to or on top of existing pile.
