Minute with the Mayor

November

Winter is definitely here and the busy Christmas season is just around the corner.

Just a reminder with winter comes snow removal. We ask you remove your garbage bins as quick as possible as they are difficult to plow around. Remember that snow removal happens in a timely fashion with designated routes cleared first. We do our best to remove snow as fast as possible. We also ask when you are clearing your property you do not pile snow on town property or push it out onto the street. Council thanks you in advance for assisting us with snow removal guidelines.

The boards of the outdoor rink are almost all installed and we hope that the flooding of the ice will be begin in the next few days or weeks. We have also placed a shed beside the rink for people to use to put on skates. Please look after the shed as it will be a nice benefit for those using the outdoor facility.

The Town will be judging lights again this year. The date for the judging has been set for Sunday, December 16th. So please remember to turn on your lights!

I would like to thank the Lashburn Royal Canadian Legion for organizing and conducting the Lashburn and Area Remembrance Day Service on November 11th. They do a great job each year! As a community, we should continue to show our respect and remembrance for those who paid the ultimate price for our freedom is an important gesture.

On Thursday, November 21st I will attend Lloydminster Community Futures Board meeting. As Mayor the Community Futures Board is one of the committees I serve on. Community Futures Lloydminster and Region has operated over 30 years. It is designed to help people turn business ideas into reality in rural Alberta and Saskatchewan. The small business specialists connect you with the skills, financing and resources you need to succeed. If you would like more information please either contact me directly or the Community Futures Office in Lloydminster at 780-875-5458.

I continue using the Mayor of Lashburn Facebook page to discuss and inform residents about various aspects of the Town. The page is simply titled Mayor of Lashburn Steven Turnbull. I will regularly update the material and keep people informed about what is happening on Council. If you would like to use the page to ask questions please don't hesitate to do so. The questions can be asked privately and I will respond as quick as possible.

Well that is about all for this month. If you have any questions please do not hesitate to email me at steven_turnbull@hotmail.ca and I will address the issues in the next Minute with the Mayor.

Thank you
Steven Turnbull

THANK YOU!

Just a quick thank you to the residents of Lashburn and surrounding area for supporting the Annual Christmas Market. It was a great success and planning for next year is already underway!

Communities in Bloom

CIB continues to work hard at beautifying the community. The removal of weeds is a constant issue. Next year we will be spraying the wagon wheel to control the weeds in the pathway area. Overall, it was a successful season for CIB with all the flowerbeds looking good.

This year CIB continued with the yard work competition. We had several entries to the contest. This year we have selected ANNIE and LORNE SCRAMSTAD as the winners. They have won a \$50.00 gift card from a place of their choice. Congratulations to Annie and Lorne. Also thank you for everyone who submitted pictures for the competition. This year CIB struggled with volunteer help. In order for the committee to be successful, we need some more volunteers to help prepare and plant the flowerbeds. A few people to help weed during the summer would help keep the flowerbeds looking good during the summer. If you would like to get involved, please contact Steven Turnbull.

There will be an organization meeting in the spring for CIB.

So watch for an announcement.

Lashburn Legion #73

The Lashburn Legion wants to thank the community and surrounding area for your support of our Remembrance Poppy Campaign. We are thankful for everyone that bought a wreath and a poppy. All money raised in Lashburn stays in Lashburn. This year we were able to present 3 bursaries to students that are now in college. This is your poppy fund at work.

Thank you to JH Moore and the Lashburn High School for inviting the Legion to witness their Remembrance Ceremony. We can be very proud of our young people in the community.

Thanks to the Museum Board for all their hard work to bring together an amazing Veterans Gallery. We hope that many took advantage to tour the Gallery on November 11.

Thanks to our Ladies Legion Auxiliary. Although this group no longer exists these ladies are still there to help us with lunch and setting up/taking down the Hall for the service. We so appreciate them.

To everyone who helped with our service...THANK YOU. We are especially grateful to the young people of our community who year after year step forward to help the Legion.

A special thanks to the All Saints Anglican Church and Winston Chappell for ringing the bell 100 times to acknowledge the end for WW1.

I can't possible name names of everyone that helped but please know that the Lashburn Legion thanks you for your help and dedication towards our veterans.

LEST WE FORGET
