Minute with the Mayor

June

The lazy days of summer are fast approaching. As summer begins it is also a time for the Town employees to catch up on some projects. Hopefully you find some time to escape for some rest and relaxation.

We are happy to have Lauren Schonhofer hired this year as our summer student. Part of her job will be cutting and weed whipping grass in the community. She will also work with our regular employees completing many other jobs. On behalf of the community we would like to welcome Lauren to her new summer job! If you see her out and about don't forget to say hi!

The Town would like to also welcome Ernie Harvey to the Public Works department. He started work this week. We have been operating with one less employee for over a month so we are happy to have him on board. Stop and say hi to our newest employee!

With summer comes road maintenance! We contracted Sveer Paving to complete the patch paving on Main Street and the Service Road. The Public Works Department has started fixing the frost boils. We ask for your cooperation and patience as we address some of these issues!

The Heritage Park improvements continue to progress forward. Sveer Paving will be laying asphalt in the coming day. We ask that you do not drive motorized vehicles on the surfaces because if they are continually ripped up with traffic more time needs to be dedicated to leveling the sites. Once the paving is complete the Outdoor Rink will be reassembled and the Skate Park will be installed.

We are also looking for volunteers who would like to sit on a Committee dedicated to starting the planning of walking trails through our Town. In our Official Community Plan we identified the need for designated trails. The trail will showcase and focus on Heritage Park with a plan to expand throughout the Community. If you are interested please drop your name at the Town Office or contact me directly!

The Town held another successful Annual Community Day on June 9th! Finally, we had some decent weather! The organization committee would like to thank all those involved in the annual event. The committee would like to thank all those groups and individuals putting floats in the parade. We appreciate all those individuals who participated in the street market and ran events during the course of the day. The more community organizations taking on events the better Community Days will be. Plans are underway for next year, if you want to get involved on the committee please let the Town Office know!

Let's talk about SPEED BUMPS! Nobody likes speed bumps and someone really doesn't like them as they removed the one on 2nd Street North. As a result the Council has decided to install a permanent speed bump this year. The speed bump is deemed necessary to reduce the speed on 2nd Street North. This is a high pedestrian area for most of the year. Council believes in safety first..... We want to protect the young people crossing to and from school each day. You can do your part by slowing down on this street! It may be an annoyance but the safety concerns of children is first and foremost!

Remember if you have any questions or issue you would like addressed in the July Minute with the Mayor please do not hesitate to email your questions to steven_turnbull@hotmail.ca.

Thank you
Steven Turnbull

With the beautiful weather we've been having it's so nice to see many people out walking their dogs. Just a reminder to please be courteous to the rest of the community and pick up after your dog!

Cemetery Committee Report

Once again, many hands and equipment made for light work on May 26, 2018 as 30 or so folks mowed, trimmed and cleaned the cemetery.

The town provided water and cookies. Thank you to everyone who came, some from North Battleford and Edmonton – that's commitment!

Mark the last Saturday in May on your next year's calendar – make that May 25, 2019 as we will always clean on the last Saturday of May.

Advance thank you to the town crew who will maintain this look throughout the summer.

The Town now has the option for people to receive their Utility Bills, Tax and Assessment Notices thru e-mail. To sign up for this service there is a form that has to be filled out. If you didn't receive a copy with your end of December water bill we can send you one or it can be picked up at the Town Office.

August Council Meeting

As there is only one Council Meeting in August – on August 27th, 2018, please ensure you have any matter you are aware of that will require Council's attention prior to August 27th, 2018, brought to the attention of the Town Office so it can be handled at the July 30th, 2018 Council Meeting.

Thank You!

On behalf of Communities in Bloom and the Town of Lashburn I would like thank Green Jay Greenhouses for their friendly, professional and first rate service during the 2017-2018 season. I appreciate Lianne Ruhl's advice and support as we planned this year's planting. The staff at the greenhouse is always willing to help! Over the past few years they have provided us with the best service! We will definitely be back next year!

If you haven't had a chance to check out Green Jay I recommend you do! It's well worth the visit for all your plant and veggie needs.

Again a HUGE THANK!

The Town of Lashburn would like to remind town residents that your personal property such as boats, campers, utility trailers etc. cannot be parked on town owned lots or boulevards for extended periods of time, this includes motor homes. Camper Pullouts are not allowed to jut out over sidewalks or into the street.

Unlicensed or partly dismantled vehicles cannot be parked on the street or town boulevards at any time.

Any time any type of trailer is parked on a town street it must be licensed and attached to a currently licensed vehicle for transporting. Parking vehicles where it impedes sight of moving traffic at intersections is prohibited.

No parking within 5 meters of any intersection or fire hydrant.

Anything in contravention of the Town's Bylaw is liable to a \$100.00 fine and unit may be towed and impounded.

REVISED ACCEPTABLE ITEMS LIST FOR RECYCLING
The Town of Lashburn's provider of recycling services will be narrowing the list of acceptable materials in the bluebag recycling program. This is necessary due to the precipitous drop in commodity markets and the greatly increased industry expectations of purity rates on sorted recyclable commodities.

- Anything other than a plastic container that has a number 1 or 2 should go directly into the waste.
- Any paper container that contained a food item should not go in the recycling.
 - Photos are not recyclable.
 - Please remove book covers from books.
- Tin and aluminum food plates are often laminated and not recyclable.
