

Fall is around the corner and with that comes back to school! High five to all the parents out there!!! I'd like to take this opportunity to remind everyone of school bus safety. The school year has begun and it's the safety of the children that is the forefront of this reminder. Throughout the school year, we routinely get complaints of vehicles passing the school bus with it's 'stop' arm out and red lights activated. We would like to remind you that all motor vehicles must come to a complete stop until the stop arm goes in and the red flashing lights stop flashing. This is an offence under the Traffic Safety Act with an attached fine of \$360 dollars and 4 demerit points from SGI. When the bus is stopped with its lights activated children are either entering or exiting the bus, children are unpredictable and the onus is on us as driver's to ensure their safety. We take school bus offences seriously and will charge based on witness statements, meaning, the police don't have to physically see the offence to lay the charge. We do follow up on every complaint received, and if our investigation yields enough evidence to lay a charge, we will. The children's safety is paramount, and as such, no warnings will be given to those who break this law. On behalf of everyone at Maidstone Detachment, we wish you all a safe/ great school year!!

Sincerely,

Sgt. Jolyne Harrison

Lashburn Library is pleased to have author, Anne Patton read from her new Barr Colony book. Her series of books is based on a Holtby diary, with "Dorothy" as the main character, telling the story of their journey from England to Canada. Full Steam to Canada: A Barr Colony Adventure is a delightful read as is her sequel, Through Flood and Fire. She will be sharing with us excerpts from her third novel in the series, Trial by Winter which will be published in the spring. As she says, "you can be the first people in the world to hear a reading from the finished manuscript." Please join us at the Seniors' Drop In on Wednesday, October 17 at 2 pm. Everyone welcome. For more information, call Kathy at the library. 306-285-4144

Minute with the Mayor

September

The Public Works employees are attempting to get a few jobs completed and things cleaned up and ready for winter. Unfortunately, the rainy weather is delaying some of jobs that need to be completed! We are hoping for better weather in the coming weeks.

The Town Council would like to welcome our newest employee Randy Jezowski to the job. He started in mid-September and we look forward to working with him. Say hi if you see him around town.

On Friday, September 21st the Mayor and Town Council will be calling Bingo at Tighndun. We sponsor this event in recognition of Seniors Week in Saskatchewan. Seniors have made an important contribution in the development of our community and our province. Continued recognition and thanks is important.

There are many functions and events happening in the community during any given month. If you would like to have representation from the Town at an official ceremony or to partake in the event please do not hesitate to contact the Town Office or me personally. I make every effort to attend as many events as possible. If I am unable to attend, we do our best to have someone represent the Town at events. It is helpful to give some notice so I can ensure I am available.

I continue to sit as a representative on the Lloydminster and Region Community Futures Board. If you are considering starting a new business or expanding a current one and need some finance options please feel free to contact for more information.

Congratulations to the Lashburn Lucky Rugby Club on their successful weekend. The development of the rugby fields is another example of the hard work and dedication of volunteers in Lashburn. You did a great job adding another sports area to our community. The Town of Lashburn congratulates you on a job well done.

The Annual Fall Supper is fast approaching. The Community Hall Board will be hosting the Community on Sunday, September 23rd from 4:00 – 7:00 pm. Make sure you take some time to come out for supper. All proceeds from the fall supper go to the continued improvements to the Hall and regular expenses.

We are making great progress on the improvements to Heritage Park! The remainder of the skatepark should be installed when it comes back from the shop. Some of the ramp pieces needed to be sandblasted and repainted. The outdoor rink will also be installed in the next few weeks.

I encourage you to submit questions or concerns that you would like addressed in the next Minute with the Mayor in October/November. Simply drop the question off at the Town Office or email me directly at steven_turnbull@hotmail.ca. You can also check out my Facebook page at Mayor of Lashburn Steven Turnbull.

Thank you
Steven Turnbull
