December, 2019

Well it's beginning to look a lot like Christmas!

The Town decorations are up and many residents have also decorated for the holiday. The annual light judging contest took place on Sunday, December 16th, 2019. It's great to see people decorating for the holidays and lighting up Lashburn.

With the New Year brings the beginning of new budget discussions and allocations of funds for various projects in the community. If you have any ideas or thoughts about priority items please do not hesitate to pass them to me or any Town Councilor. We appreciate your input.

Also in the New Year the Town will be hosting a public meeting in regards to a proposal for the Community to become a member of a Regional SaskWater Pipeline that is being proposed in the area. The Town and SaskWater will outline the process, the project and the long term benefits of such a project. It is important community members attend the meeting. The date will be finalized in consultation with SaskWater and will be advertised. Please ensure you take time to attend the meeting to ask questions and get answers.

I would like to take this opportunity to thank the Town Council and the Town Employees for their cooperation and assistance over the past year. It is this spirit of cooperation that will ensure we continue to make decisions that are right for the residents of our Community. As residents please do not hesitate to ask questions of decisions or attend a Council Meeting in person. Remember if you would like to ask questions or present information you need to be added to the meeting prior and this can be arranged by the Town Administrator.

In the coming months planning will once again begin for our Annual Community Day event held in June. If you would like to become actively involved on the committee please let us know. If you have ideas and suggestions we would love to hear from you. It is always great to have a different perspective on potential events for the day. If you are interested please contact the Town Office and leave your name and number.

If you have any questions you would like answered please do not hesitate to drop me an email at steven_turnbull@hotmail.ca.

On behalf of the Town Employees and Town Council we would like to extend Christmas Greetings!

Wish you all a Merry Christmas
May the joys of the season
Fill your heart with Goodwill and cheer.
May the Chimes of Christmas Glory
Add up more shine and spread
Smiles across the miles,
Today and in the New Year!

REVISED ACCEPTABLE ITEMS LIST FOR RECYCLING

The Town of Lashburn's provider of recycling services will be narrowing the list of acceptable materials in the bluebag recycling program.

This is necessary due to the precipitous drop in commodity markets and the greatly increased industry expectations of purity rates on sorted recyclable commodities.

- Anything other than a plastic container that has a number 1 or 2 should go directly into the waste.
- Any paper container that contained a food item should not go in the recycling.
- Photos are not recyclable.
- Please remove book covers from books.
- Tin and aluminum food plates are often laminated and not recyclable.

PLEASE NOTE THAT IF THE NEW RULES ARE NOT FOLLOWED, THERE MAY BE INCREASED COSTS TO THE TOWN FOR OUR PROVIDER TO HAND SORT OUT THE NON-ACCEPTABLE MATERIALS.

Lashburn Legion #73

We want to wish the community and surrounding area a very Merry Christmas and a Happy New Year. We appreciate all the support we receive from the community as we each take time to remember not only those that paid the ultimate price for our freedom but for the men and women who serve today to maintain our freedom. Thanks to the many people that gave cards to go overseas to our military serving over Christmas.

Sask Crime Watch Advisory Network
Visit www.saskcrimewatch.ca to sign up for the Saskatchewan Crime Watch Advisory Network. The network allows RCMP detachments to send text messages, emails or phone calls to residents with information about criminal activity in this area.

Thanks.

Our family wants to thank those seniors that came out and decorated the Seniors Centre for our Christmas Family Feast. We had told Grandkids there might not be a tree for December 1st as it was early in the month. As one of our little people came in, she excitedly announced "Santa has been here, he put up the tree!" Thank you to these Santa's for making it happen!
